

A MESSAGE FROM OUR NEW MUSIC DIRECTOR, DANIEL WILEY

Dear Friends,

Our 24-25 Season is one of excitement, vivid storytelling, and new beginnings. In my first season as your Music Director, I am elated to become more connected with all of you and to share a wide variety of experiences, world class artistry, and meaningful community connections.

From the music of Harry Potter to intimate Serenades and grand Masterworks, this season not only has something to offer everyone, but also highlights our strong bond as a community. Looking forward to seeing you at a concert!

Sincerely,

GREAT PERFORMANCES START HERE!

OUR MISSION

We seek to educate, entertain, inspire, engage, and enrich our community through orchestral music and other musical performances of the highest quality.
